nipper
360°
single

The nipper 360° single is an excellent solution for parents who require a multipurpose pushchair. Its 360° swivel front wheel makes it perfect for effortless manoeuvring around town, but can then be locked into a forward fixed position should you wish to take the scenic route.

As with all Out 'n' About pushchairs the nipper 360° single boasts a robust, lightweight aluminium frame which folds compactly for easy handling and transport.
