## Foot muff / Seat Liners

Polar fleece lining with a shower-proof front. The front panel can be removed to leave a comfy seat liner. Snug and practical. Available in fabric colours to match all Out 'n' About pushchairs.

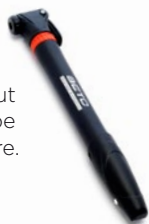

## Newborn Support

Used in conjunction with the low-lie position of the reclining seat this gives extra support to babies in the first couple of months. Attaches through harness straps and has tummy / crotch straps which can be folded back for older children. Available in Navy, Grey or Charcoal.

## Mini Tyre Pump

Attaches easily to all Out 'n' About pushchairs. Ensures you'll never be out of air in the middle of nowhere. Comes complete with fixing kit.

## Slime® Tyre Sealant

Inner tube puncture repair sealant. Available in tube or bandage strip form.

## Custom Buggy Bag

Available for both single and double models, this bag will make your buggy extremely easy to handle and keep it safe when travelling as well as ensuring your car boot stays mud free. Out 'n' About buggy bags are custom made for a perfect fit, complete with hand and shoulder straps.
